

Johnstown People's Park is delighted to offer the following discounts to all our members with thanks to all our participating companies. This is our way of rewarding you, our members for taking part in your community, breaking the mould and helping to build a better future for us all. We have secured discounts across a wide range of suppliers and we will continue to expand on this list. We will bring the business back to the companies who had the foresight to see what this community was capable of once we were all working together. Now we are working together, and together with all our sponsors. So please give these companies an opportunity to provide you with their products and services as a thank you from us all in JPP. Without them there would be no park. Please visit our website www.johnstownpeoplespark.ie for full details of your park, your sponsors and all current offers. Please note that these offers are available to every member in every household in our four member estates – so as you can see there is now even more reason to pay your fees and support your local community. Please set up your €5 monthly standing order now so we can keep developing this community. All offers are subject to the supplier's terms & conditions and may not be available in conjunction with other offers. All offers are correct at time of print in MAY 2015 and may be subject to change without notification.

If your company would like to be part of our Member's Benefit Package and help shape our community into the future, please contact us at info2jpp@gmail.com or on 083 4489714 or by post to Johnstown People's Park, Pembroke Hall, 38/39 Fitzwilliam Sq. Dublin 2
